

GeCIP Domains

Below are details of the different domains within GeCIP.

 If you are accessing this page from inside the research environment, the email links will not work - you should instead navigate to it outside of the environment.

GeCIP Arm	Domain	Lead Researchers	NHS GMC Representative	Detailed research plan	Data access
Rare Disease	Cardiovascular	Prof Bernard Keavney – University of Manchester	Dr Ed Blair – Oxford University Hospitals NHS Foundation Trust	Approved	Granted
	Endocrine and metabolism	Prof Stephen O'Rahilly – University of Cambridge		Approved	Granted
	Gastroenterology and Hepatology	Professor Holm Uhlig - University of Oxford	Richard Thompson – King's College London		
		Dr Patrick Dubois – King's College Hospital			
	Hearing and sight	Prof Andrew Webster (Sight) – University College London	Prof Graeme Black – University of Manchester	Approved	Granted
		Dr Mike Bowl (Hearing) - MRC Harwell Institute			
		Dr Sally Dawson (Hearing) - University College London Ear Institute			
	Immune disorders	Prof Sophie Hambleton – Newcastle University		Approved	Granted
	Non-malignant haematological and haemostasis disorders	Prof Willem Ouwehand – University of Cambridge		Approved	Granted
		Dr Judith Marsh – Kings College Hospital			
	Inherited cancer predisposition	Dr Clare Turnbull – Queen Mary University of London	Marc Tischkowitz – University of Cambridge	Approved	Granted
	Musculoskeletal	Prof Muhammad Kassim Javaid – University of Oxford	Prof Muhammad Kassim Javaid – University of Oxford	Approved	Granted
	Neurology	Prof Henry Houlden* – University College London	Prof Huw Morris – University College London	Approved	Granted
		Prof Patrick Chinnery – University of Cambridge			
	Paediatric sepsis	Prof Michael Levin – Imperial College			
	Paediatrics	Dr Tim Barrett – Birmingham University		Approved	Granted
		Dr Phil Beales – University College London			
	Renal	Dr Daniel Gale – University College London	Dr Anna Koziell – King's College London	Approved	Granted
		Prof Robert Kleta – University College London			
	Respiratory	Dr Claire Shovlin – Imperial College London	Tracy Higgins – Imperial College	Approved	Granted
	Skin	Prof John McGrath – King's College London	Prof Sean Whittaker – King's College London	Approved	Granted
	Breast cancer	Dr Nicholas Turner – Institute of Cancer Research		Approved	Granted
	Childhood solid cancers	Dr Thomas Jacques – University College London	Dr Alex Henderson – Newcastle upon Tyne NHS Foundation Trust	Approved	Granted
	Colorectal cancer	Prof Ian Tomlinson – University of Birmingham	Mohammad Ilyas – University of Nottingham	Approved	Granted
	Haematological malignancy	Prof Anna Schuh – University of Oxford	Paresh Vyas – University of Oxford	Approved	Granted

Cancer	Lung cancer	Dr Charles Swanton* – The Francis Crick Institute	Prof Fiona Blackhall - The Christie NHS Foundation Trust	Approved	Granted
	Ovarian and endometrial Cancer	Dr James Brenton – University of Cambridge and Cancer Research UK		Approved	Granted
		Dr David Church – University of Oxford			
	Neuroendocrine tumours	Dr Chrissie Thirlwell* – University College London		Approved	Granted
	Pan-cancer	Prof Dion Morton – University Hospitals Birmingham		Approved	Granted
	Glioma	Prof Keyoumars Ashkan – King's College Hospital NHS Foundation Trust		Approved	Granted
	Head and neck cancer	Prof Terry Jones – University of Liverpool		Approved	Granted
		Dr Matt Lechner – University College London			
		Dr Liam Masterson – University of Cambridge			
	Upper gastrointestinal cancer	Prof John Bridgewater – University College London		Approved	Granted
	Renal cell carcinoma	Dr James Larkin – Royal Marsden NHS Foundation Trust	Dr Anna Koziell – King's College London	Approved	Granted
	Melanoma	Dr Paul Lorigan – The Christie NHS Foundation Trust		Approved	Granted
	Testicular cancer	Dr Andrew Protheroe – Oxford University Hospitals NHS Foundation Trust		Approved	Granted
Cross Cutting	Cancer of unknown primary	Dr Harpreet Wasan – Imperial College London		Approved	Granted
	Prostate cancer	Prof Johann de Bono – Institute of Cancer Research	Dr Mark Linch – University College London	Approved	Granted
	Sarcoma	Prof Adrienne Flanagan – University College London		Approved	Granted
	Education and training	Dr Anneke Seller – Oxford University Hospitals NHS Foundation Trust			
	Electronic health records	Prof Harry Hemingway – University College London		Approved	Granted
		Dr. Stefanie Mueller - University College London		Approved	Granted
	Enabling rare disease translational genomics via advanced analytics and international interoperability	Dr Eamonn Sheridan – University of Leeds			
		Dr Michael Simpson – King's College London			
	Ethics and social science	Prof Mike Parker – University of Oxford		Approved	Granted
		Dr. Anneke Lucassen - University of Southampton		Approved	Granted
	Functional Effects	Dr Ewan Birney – European Bioinformatics Institute		Approved	Granted
		Prof. Christine Orenco - University College London		Approved	
	Health Economics	Dr Sarah Wordsworth – University of Oxford	Prof Ian Tomlinson – University of Birmingham	Approved	Granted
	Integrated Pathogens and Mobile Elements	Prof Colin Cooper* – University of East Anglia		Approved	Granted
		Dr Gkikas Magiorkinis (subdomain lead) – Athens University			
	Quantitative methods, machine learning and functional genomics	Prof Martin Tobin – University of Leicester	Diana Baralle – University of Southampton	Approved	Granted
	Population genomics	Dr Richard Durbin – Wellcome Trust Sanger Institute	Jean-Baptiste Cazier – University of Birmingham	Approved	Granted

	Stratified healthcare and therapeutic innovation	Prof Sir Mark Caulfield – Queen Mary, University of London		Approved	Granted
		Prof Sir Munir Pirmohamed - University of Liverpool			
	Enhanced Interpretation	Prof Bill Newman – Manchester University	Dominic McMullan – Birmingham Women's NHS Foundation Trust	Approved	Granted
